I think they had some communication with management that I was not privy to. I don't know that it qualifies as hair on fire anymore because it's with the submitter at the moment as you noted. Ex. 5 Deliberative Process (DP) then we may need to bring it to the OCSPP weekly again but right now no action is needed on our part.

Thanks. Why is P20-112 a "hair on fire" if the ball is in the submitters court? Ex. 5 Deliberative Process (DP)  
Ex. 5 Deliberative Process (DP) Can you tell me briefly why. Thank you!

Please add those cases as well, but notate that it was sent to BC, date and from whom. Likely, it will elevate above the BC if we are not able to move the case (which is the majority of the situations).

There's also the SNUN (SN-20-0006) that we just received the Congressional on.

Do you also want cases that have been raised to the branch chief level? Or only cases that have been elevated higher?

Below is list of emails I've received from companies regarding cases. If you know of other cases, please add it to list. We anticipate we will be receiving many more of these elevation issues before the year ends. [ ] would like to get an update on where stand on each these hair on fire cases at the OPPT biweekly tomorrow at 3:30.
